This debut tween novel stars the hilariously fresh Charlie Cooper as she tries to ditch her middle-child reputation and make cool friends at her new school in Los Angeles. Disenchantment-Charles Edward Montague 1922
Now it Can Be Told-Philip Gibbs 1920
The Trap-Dan Billany 2012-02-14 Dan Billany's The Trap, first published in 1950, still stands - in the opinion of M.R.D. Foot - as 'one of the most powerful English novels to come out of the [Second World War].' It echoes the wartime experiences of its author, who is believed to have died in 1943 while on the run from an Italian POW camp, but not before entrusting the manuscripts of The Trap to safekeeping. The book's narrator, army lieutenant Michael Carr, tells of his early years in Cornwall, of the girl he met and loved there, and of the hard times her family endured between the wars. These troubles and joys give
way to the tragedy of war, and the book's narrative becomes one of comradeship, suspense and fighting in the North African desert. 'The Trap is an outstanding novel by a writer of natural genius... written with great force and honesty... profoundly impressive.' Times Literary Supplement

How to Not Tell a War Story-Michael Lund 2012 HOW TO NOT TELL A WAR STORY is a collection of short stories about veterans who went to war but left without a war story to tell. Forty years after their experience, these veterans begins question if there is something more to say about their military service. Among other things, they come to appreciate the lovers, friends, and family who helped them shape a new, post-war identity. " . . . when the courage of NFL star Tillman was referred to, or Jessica Lynch was rescued, they all found themselves thinking back to their long-ago tours. Did they have stories? Maybe memory had played tricks on them, obscuring what would come to light at last. Back then, they hadn't studied forms for the narration of danger, but now, more aware, could they reshape their experience for the new era? What, after all, about their friend, Butterball?"

Explore with Michael Lund the lives of these veterans who discover being in the service is not something to be edited out of a personal history, but an experience that stays in memory, not an ending but the beginning of a measure of peace, no matter how short the stint, or inglorious. Michael Lund is the author of nine novels about Route 66 and the generation that grew up in the Midwest in the 50s, including Route 66 to Vietnam: A Draftee's Story, all published by Beach House Books.

Confessions of a Good Kid-William Fogg 2018-10-28 An amusing yet poignant memoir of mischief in post war Southern California. This book details the escapades of a boy and his companions as they explore their sprawling suburban neighborhood without adult supervision, and engage in ridiculous acts of rebellion and sabotage against parents, teachers, coaches, and the grownup
world in general. An affectionate portrait of middle class American childhood in the days before smart phones, video games, and social paranoia changed everything. From the early days of TV and rock and roll, through dinosaurs, monster movies, riots, firecrackers, and cherry bombs, to Beatlemania, hippies, drugs, and the counterculture, our hero encounters heartbreak, heroism, and hilarity as he pits his wits against the stacked deck of conservative authority. Is he a "good kid?" Read the book and decide for yourself.

Tale of Tala-Chaker Khazaal 2017
Child and Country-Will Levington Comfort 1915
American Kid-Constance Constant 2015-08-01
For Katherine and her three American children, Greece was meant to be a one-year refuge from the late 1930's Depression. Her husband's family-owned orchard should have provided for their well-being, but instead embroiled them in legal debate. WWII Axis bombings of Kalamata prompted the young family to flee to the remote mountain village of Katherine's birth, but Nazi invasion-and seemingly endless occupation of their village and their house-trapped them there until the war's end. Told through the eyes of John, Katherine's youngest child, he shares a universal story of fear and frustration faced by all innocent civilians during war in occupied countries. American Kid is a moving recollection of Katherine's courage, their family's sparse village existence on Mt. Parnon, and years of fear-filled interactions with Nazi soldiers.

The War Baby-Larry G. Johnson 2013-07-01 Maude King, Maggie McDonald, and Millie Mitchell had been best friends for as long as they could remember. The night before the girls graduated from high school in 1941, they made a "one for all and all for one"
Three Musketeer vow. Each young woman sent her fellow off to war, and eventually all became wives and mothers. The War Baby is the heartwarming story of one of their offspring. This book will make you laugh, and it will make you cry. The captivating characters of this engaging family drama will keep you turning page after page. The intricate plot revolves around keeping hush-hush a big secret. Those in on the deception have pledged to take it with them to their graves. The narrative navigates the reader down the oft-rocky road to romance, through shadows of doubt, in and out of some adventuresome alleyways, and even behind the veil of mystery. In due course, triumph trumps tragedy, but not before traversing some intriguing, as well as ironic twists and turns along the way. This provocative tale might also prompt you to pause, and to ponder just who you are, and how you came to be. Larry G. Johnson devoted periods of his life to ministry, college administration, and counseling. He also owned one of the oldest bookstores in the United States, and then he became a newspaper columnist. The author is now a self-unemployed journalist who migrates back and forth between his little lakeside retreat in northwest Georgia, and a special place at the edge of the wilderness on the Kenai Peninsula in Alaska. This wandering writer's other interests include woodworking and winemaking.

Fishing with Hand Grenades-Ari Pontz 2008-08-01
In the Wars of the Roses-Evelyn Everett-Green 2019-06-14

It was no small act of heroism to which the boy made up his mind in those few moments. Those were lawless days, and human life was held very cheap. The band of fierce men who had believed they were carrying off a prince, would think nothing of running him through with their swords when they discovered how they had been tricked, and that by a mere child. Paul set his teeth hard and braced himself up for the task he had set himself. He knew his peril he realized it too; but he was a soldier's son, and had he not said he would live and die for the prince? Would he ever be worthy of the knighthood every lad looked forward to as the goal
of his ambition, if he shrank now from the task he had set himself? Hardly had that resolution been taken before there sprang out from the thick underwood two or three fierce-looking men, armed to the teeth.

"Thank you for this important gift to humanity. I could not put the book down. I was intensely engaged in the imagery of the poems, narrative and "aftertaste" of each chapter. I felt elated, saddened, shocked, tearful, angry, sympathetic, reflective, and even somehow envious over the dynamic relationship you had with Davey and the powerful experiences that came from it. I think about our men and women currently in war and pray that each of them has a Lt Angel by their side." Mark Stanford, PhD

Parallel Journeys-Eleanor H. Ayer 2011-06-28 She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallell journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz extermination camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Auschwitz, he was a tennage commander of frontline troopes, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was WWII. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.

Caught Up in the Winds of War-Lenny Frasure 2017-08-25 A true story of young Aircrews thrust into a potential heated conflict between the United States, and North Korea. North Korea steals our ship. They capture and imprison it's Naval crew. During this era, we young Airmen were not in the jungles of Viet Nam getting sniped at by Viet Cong. We did not endure the harshness of war's reality there. But we were intricately trained and remained vital to support U.S. interests from our strategic positions at Okinawa. We landed in Korea 10 hours after they seized our ship. This book reflects on the emotion, and unheard details from behind the scenes of what becomes known as, "The Pueblo Incident." This story is true and accurate to the best of my recollection nearly 50 years later.

Glorieta Pass-P. G. Nagle 2000-05-15 It's called the "Gettysburg of the West," the battle for control of Glorieta Pass, near Santa Fe. At stake is a route to Colorado's gold and San Francisco's unblockadable sea coast, two goals that would give the
Confederate States a vital edge. General H.H. Sibley's Texas Confederates are opposed by a Union army under Colonel E.R.S. Canby. Before the war, Sibley and Candby were on the same side. Now there's just no winning in this bloody battle between countrymen torn apart by money, politics, and geography. History will ignore the fate of Lieutenant Franklin of New York, Captain O'Brien of the Colorado Volunteers, Jamie Russell of San Antonio, and Miss Laura Howland, recently arrived from Boston. They will be utterly changed, however, in the cauldron of battle where the fate of Glorieta Pass--and hundreds of lives--is decided.

Warrior Mums-Michelle Daly 2014-03-24 One of the benefits of social media is getting to meet the parents of special needs children and adults. I have grown to know and truly admire these brave people. Our solitary journeys have taken many different roads, yet we've all connected on sites like Facebook, Twitter, and other forums. The support we give each other is a lifeline—an opportunity to not only share the joys our sons and daughters bring into our lives, but also the chance to rant about the frequent injustices we meet head on. I am honoured to have 'met' so many fantastic Warrior Mums from around the world, so honoured that I decided to feature some of their stories in a blog series, which I have now reproduced in this book. These mums will inspire you, just like they have me, these brave women who share their stories from childhood to motherhood and reveal far more than they normally would, in the hope their stories will help others.

Confessions of a Teenage Gamer-Nicolas Cole 2016-09-27 When people think of World of Warcraft, they think of a socially awkward, acne-faced teenager with "no life." Confessions of a Teenage Gamer challenges those stereotypes and shows how a kid from a wealthy family with every opportunity at his fingertips ended up finding himself in a video game. Confessions of a Teenage Gamer is funny in its honest retellings of teenage puberty, witty in its commentary on rich suburban life, and thought provoking in a way that questions the meaning behind success and happiness. This true story draws parallels between sports, music, and video games-and shows how, at the core, they teach many of the same lessons. With a successful spine surgeon for a father, a music teacher for a mother, and a house full of driven, high-achieving siblings, Nicolas Cole's Confessions of a Teenage Gamer shows how far one boy will go to chase his dream of becoming a professional gamer.
