[Book] Prisoner Of Sex

The Prisoner of Sex - Norman Mailer 1971

Norman Mailer - 1975-06-18

Sexual Politics - Kate Millett 2016-02-16 A sensation upon its publication in 1970, Sexual Politics documents the subjugation of women in great literature and art. Kate Millett's analysis targets four revered authors—D. H. Lawrence, Henry Miller, Norman Mailer, and Jean Genet—and builds a damning profile of literature's patriarchal myths and their extension into psychology, philosophy, and politics. Her eloquence and popular examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life. This new edition features the scholar Catharine A. MacKinnon and the New Yorker correspondent Rebecca Mead on the importance of Millett's work to challenging the complacency that sidelines feminism.

Women's Prison - David Andrew Ward 1966

Prisoner of Night and Fog - Anne Blankman 2014-04-22 A gripping historical thriller set in 1930s Munich, Prisoner of Night and Fog is the evocative story of an ordinary girl faced with an extraordinary choice in Hitler's Germany. Fans of Code Name Verity will love this novel full of romance, danger, and intrigue! Gretchen Müller grew up in the National Socialist Party under the wing of her uncle Dolf—who has kept her family cherished and protected from that side of society ever since her father sacrificed his life for Dolf's years ago. Dolf is none other than Adolf Hitler. And Gretchen follows his every command. When she meets a fearless and handsome young Jewish reporter named Daniel Cohen, who claims that her father was actually murdered by an unknown comrade, Gretchen doesn't know what to believe. She soon discovers that beyond her sheltered view lies a world full of shadowy secrets and disturbing violence. As Gretchen's investigations lead her to question the motives and loyalties of her dearest friends and her closest family, she must determine her own allegiances—even if her choices could get her and Daniel killed.

Women as Wartime Rapists - Laura Sjoberg 2016-11-22 Very few women are wartime rapists. Very few women issue commands to commit sexual violence. Very few women play a role in making war plans that feature the intentional sexual violation of other women. This book is about those very few women. Women as Wartime Rapists reveals the stories of female perpetrators of sexual violence and their place in wartime conflict, legal policy, and the punishment of sexual violence. More broadly, Laura Sjoberg asks, what do the actions and perceptions of female perpetrators of sexual violence reveal about our broader conceptions of war, violence, sexual assault, and gender? This book explores specific historical case studies, such as Nazi Germany, Serbia, the contemporary case of ISIS, and others, to understand how and why women participate in rape during war and conflict. Sjoberg examines the contrast between the visibility of female victims and the invisibility of female perpetrators, as well as the distinction between rape and genocidal rape, which is used as a weapon against a particular ethnic or national group. Further, she explores women's engagement with genocidal rape and how some orchestrated the ethnic cleansing of entire regions. A provocative approach to a sensationalized topic, Women as Wartime Rapists offers important insights into not only the topic of female perpetrators of wartime sexual violence, but to larger notions of gender and violence with crucial cultural, legal, and political implications.

Prisoner of Love - Jean Genet 2003 Follows the late author's experiences and observations as a visitor to an early 1970s Palestinian refugee camp, in a lyrical and philosophical account that offers insight into the Palestinian cause and the Middle Eastern conflict. Original.

A Prisoner of Birth - Jeffrey Archer 2008-03-04 A man framed for the murder of his best friend seeks revenge against the four men who put him in Belmarsh prison, the highest-security jail in the land, from where no inmate has ever escaped.

Gefangen im Sexus (The prisoner of sex, dt.) - Aus d. Amerikan. v. Matthias Büttner 1972

The Scorpion Rules - Erin Bow 2015-09-22 In the future, the UN has brought back an ancient way to keep the peace. The children of world leaders are held hostage—if a war begins, they pay with their lives. Greta is the Crown Princess of the Pan Polar Confederacy, a superpower formed of modern-day Canada. She is also a Child of Peace, a hostage held by the de facto ruler of the world, the great Artificial Intelligence, Tali. The hostages are Tali's strategy to keep the peace: if her country enters a war, Greta dies. The system has worked for centuries. Parents don’t want to see their children murdered. Greta will be free if she can make it to her eighteenth birthday. Until then she is prepared to die with dignity, if necessary. But everything changes when Elian arrives at the Precepture. He's a hostage from a new American alliance, and he defies the machines that control every part of their lives—and is severely punished for it. Greta is furious that Elian has disrupted their quiet, structured world. But slowly, his rebellion opens her eyes to the brutality of the rules they live under, and to the subtle resistance of her companions. And Greta discovers her own quiet power.

The Scorpion Rules - Erin Bow 2015-09-22 Then Elian's country declares war on Greta's and invades the prefecture, taking the hostages hostage. Now the great Tali is furious, and coming himself to mete out punishment. Which surely means that Greta and Elian will be furious that Elian has disrupted their quiet, structured world. But slowly, his rebellion opens her eyes to the brutality of the rules they live under, and to the subtle resistance of her companions. And Greta discovers her own quiet power.
forces there surrender. As a prisoner of war, Henry faces one horror after another. Yet among his fellow captives, he finds kindness, respect, even brotherhood. A glimmer of light in the darkness. And he'll need to hold tight to the hope they

From 1 #1 New York Times bestselling author J. R. Ward comes an unforgettable story of passion and vengeance in the world of the Black Dagger Brotherhood. When Ahma’re’s brother is abducted, there is nothing she won’t do to get him back safely. She is unprepared, however, for the lengths she will have to go to save his life. Paired with a dangerous but enticing prisoner, she embarks on an odyssey into another world. Durham, betrayed by his father, imprisoned in a dungeon for decades, has survived only because of his thirst for vengeance. He has been hiding his time to escape and is shocked to find an unlikely and temporary freedom in the form of a determined young female. Battling against deadly forces and facing unforeseen peril, the pair are in a race to save Ahma’re’s brother. As time runs out, and the unthinkable looms, even true love may not be enough to carry them through.

Prisoner Of Night

Battling against deadly forces and facing unforeseen peril, the pair are in a race to save Ahma’re’s brother. As time runs out, and the unthinkable looms, even true love may not be enough to carry them through.

In this population, sexual aggression is shown to be racially-based: most aggressors were black, and most victims were white, of a lighter build than the aggressor, and perceived as having feminine physical and personality characteristics. About half of the 152 incidents examined involved physical violence, half initiated by aggressors coercing targets; the rest from targets reacting to threats. Both aggressors and targets tended to come from outside prison social subcultures which used aggression as a primary means of relieving frustration and irritation. After fights, targets reported that aggressors left them alone, that they moved around the prison with less fear, felt better about themselves, and had a higher status among other prisoners. Sexual attacks increased fear, and victims continued to be affected emotionally months after the event. Prison staff did not usually intervene directly in the incidents, nor is there evidence that such intervention would be effective in reducing the problem. The author recommends the provision of program alternatives such as the Alternatives to Violence (AVP) and other conflict resolutions programs. (NCJRS, modified).

Prisoner Sexual Violence

Forced to bend to the Wolf who takes him prisoner and forces upon him a despicable Krian name. A man with nothing to lose... When the rest of his army is slaughtered by Illussor soldiers desperately seeking his prisoner, Dieter determines

Prisoner of War

Michael P. Spradlin 2017-06-27 Survive the war. Outlast the enemy. Stay alive. That's what Henry Forrest has to do. When he lies about his age to join the Marines, Henry never imagines he'll face anything worse than his own father's cruelty. But his unit is shipped off to the Philippines, where the heat is unbearable, the conditions are brutal, and Henry's dreams of carefree adventuring are completely dashed.Then the Japanese invade the islands, and US forces there surrender. As a prisoner of war, Henry faces one horror after another. Yet among his fellow captives, he finds kindness, respect, even brotherhood. A glimmer of light in the darkness. And he'll need to hold tight to the hope they offer if he wants to win the fight for his country, his freedom . . . and his life. Michael P. Spradlin's latest novel tenderly explores the harsh realities of the Bataan Death March and captivity on the Pacific front during World War II.

Sex in Prison

Christian Davis Marcum 2014 Despite being deemed an illegal activity, participation in sexual activity behind prison walls is a frequent occurrence. Catherine Marcum and Tammy Castle provide a comprehensive study of all aspects of prison sex.Incorporating inmate, correctional officer, and policymaker perspectives, the authors offer a full range of consensual and nonconsensual behaviors. They also address the physical, emotional, and legal repercussions of participating in prison sexual relationships. Their analysis is enriched by a case study of a privately run correctional facility, revealing the effects of the Prison Elimination Rape Act at the local level.

Prisoner Of Night

J.R. Ward 2020-06-30 "Dark, sexy, and intense, Prisoner is an emotional ride that does not let go until the end. I loved it!" — Kristen Callihan, USA Today bestselling author HE SEETHES WITH RAW POWER THE FIRST TIME I SEE HIM—pure menace and ripping muscles in shackles. He’s dangerous. He’s wild. He’s the most beautiful thing I’ve ever seen. So I hide behind my prism glasses and my book like I always do, because I have secrets, too. Then he shows up in the prison writing class I have to teach and he blows me away with his honesty. He tells me secrets in his stories, and it’s getting harder to hide mine. I shiver when he gets too close, with only the cuffs and the bars and the guards holding him back. At night, I can’t stop thinking about him. But that’s the thing about an animal in a cage—you never know when he’ll bite. He might use you to escape. He might even pull you into a forest and hold a hand over your mouth, so you

Vibrator Nation

Lynn Comella tells the fascinating history of how these stores raised sexual consciousness, redefined the adult industry, and changed women's lives. Comella describes a world where sex-positive retailers double as social activists, where products are framed as tools of liberation, and where consumers are willing to pay for the promise of better living—one conversation, vibrator, and orgasm at a time.

Liberty's Prisoners

Jennifer Manion 2015-10-07 Liberty’s Prisoners examines how changing attitudes about work, freedom, property, and family shaped the creation of the penitentiary system in the United States. The first penitentiary was founded in Philadelphia in 1790, a period of great optimism and turmoil in the Revolution’s wake. Those who were previously dependent with no legal standing—women, enslaved people, and indentured servants—increasingly claimed their own right to life, liberty, and happiness. A diverse cast of men and women, including immigrants, African Americans, and the Irish and Anglo-American poor, struggled to make a living. Vagrancy laws were used to crack down on those who visibly challenged longstanding social hierarchies, while imprisoning convictions carried severe sentences for even the most trivial property crimes. The penitentiary was designed to reestablish order, both behind its walls and in society at large, but the promise of reformative incarceration failed from its earliest years. Within this system, women served a vital function, and Liberty’s Prisoners is the first book to bring to life the experience of African American, immigrant, and poor white women imprisoned in early America. Always a minority of prisoners, women provided domestic labor within the institution and served as model inmates, more likely to submit to the authority of guards, inspectors, and reformers. White men, the primary targets of reformative incarceration, challenged authorities at every turn while African American men were increasingly segregated and denied access to reform. Liberty’s Prisoners chronicles how the penitentiary, through initially designed as an alternative to corporal punishment for the most egregious of offenders, quickly became a repository for those who attempted to lay claim to the new nation’s promise of liberty.

Prisoner Of Night

Prisoner Of Sex

Skye Warren 2015-03-17 "Dark, sexy, and intense, Prisoner is an emotional ride that does not let go until the end. I loved it!" — Kristen Callihan, USA Today bestselling author

The 'real' world is the social environment, created by the convict community, and sexual violence is a traditional part of that environment. A range of sexual behaviors, all perceived as threatening and offensive by the targets of aggressors were examined, with discussion on the nature of their overture, the physical and verbal response of the target, his thoughts and feelings, the living partners resulting from sexual pressure, and how peers and staff react.

The author recommends the provision of program alternatives such as the Alternatives to Violence (AVP) and other conflict resolutions programs. (NCJRS, modified).
**The War on Sex**

David M. Halperin 2017-03-03 The past fifty years are conventionally understood to have witnessed an uninterrupted expansion of sexual rights and liberties in the United States. This state-of-the-art collection tells a different story: while progress has been made in marriage equality, reproductive rights, access to birth control, and other areas, government and civil society are waging a war on stigmatized sex by means of law, surveillance, and social control. The contributors document the history and operation of sex offender registries and the criminalization of HIV, as well as highly punitive measures against sex work that do more to harm women than to combat human trafficking. They reveal that sex crimes are punished more harshly than other crimes, while new legal and administrative regulations drastically restrict who is permitted to have sex. By examining how the ever-intensifying war on sex affects both privileged and marginalized communities, the essays collected here show why sexual liberation is indispensable to social justice and human rights.

**The Oxford Handbook of Prisons and Imprisonment**

John Wooldredge 2018 Research on prisons prior to the prison boom of the 1980s and 1990s focused mainly on inmate subcultures, inmate rights, and sociological interpretations of inmate and guard adaptations to their environment, with qualitative studies and ethnographic adaptations of the norm. In recent years, research has expanded considerably to issues related to inmates' mental health, suicide, managing special types of offenders, risk assessment, and evidence-based treatment programs. The Oxford Handbook of Prisons and Imprisonment provides the only single source that bridges social scientific and behavioral perspectives, providing graduate students with a more comprehensive understanding of the topic, academics with a body of knowledge that will more effectively inform their own research, and practitioners with an overview of evidence-based best practices. Across thirty chapters, leading contributors offer new ideas, critical treatments of substantive topics with theoretical and policy implications, and comprehensive literature reviews that reflect cumulative knowledge on what works and what doesn't. The Handbook covers critical topics in the field, some of which include recent trends in imprisonment, prison gangs, inmate victimization, the use and impact of restrictive housing, unique problems faced by women in prison, special offender populations, risk assessment, and treatment effectiveness, prisoner re-entry, and privatization. The Oxford Handbook of Prisons and Imprisonment offers a rich source of information on the current state of institutional corrections around the world, on issues facing both inmates and prison staff, and on how those issues may impede or facilitate the various goals of incarceration.

**Prisoner of Infinity**

Jason Horsley 2018-03-20 Using the term “experimenter” Whitey Strieber as its departure point, Prisoner of Infinity explores how beliefs are created and perceptions are managed in the face of the inexplicably complex forces of our existence. While keeping the question of a nonhuman and/or paranormal element open, the book maps how all-too-human agendas (such as the CIA’s MK Ultra program) have co-opted the ancient psychological process of myth-making, giving rise to dissociative Hollywood versions of reality. Prisoner of Infinity examines modern accounts of UFOs, alien abductions, and psychism to uncover a century-long program of psychological fragmentation, collective indoctrination, and covert cultural, social, and mythic engineering.

**In the Belly of the Beast**

Jack Henry Abbott 1991 A visionary book in the repertoire of prison literature. This is a 37 year old man’s account of 25 years behind bars.

**The Prisoner's Wife**

Susan Page Davis 2013-03-01 Lucy lost Jack years ago. Jack Hunter's father was a drunk and a criminal, and Lucy Hamblin's father believed the apple lay near the tree. When her father forbade their love, Lucy buried her heart out of obedience, but she never stopped loving Jack. On a strange evening four years later, she's summoned to the local jail. Jack has been accused of murder and has a request to make of Lucy. It appears Jack Hunter will hang in the morning, and to preserve his property and provide for the woman he loves, he asks Lucy to marry him. When his trial is postponed and ultimately dismissed, Jack has new worries: Lucy agreed to become a prisoner's widow, not the wife of a man her father despised. Can Lucy and Jack accept the Lord's miracle of preservation - of Jack's life and reputation...and the love they believed they'd lost?

**The Oxford Handbook of Prisons and Imprisonment**

This book addresses the core issues in prisoner reentry into society after incarceration. The chapters are written by academic scholars who have much experience researching and writing about prisoner reentry and by people who work in the field of prison reentry. Comprising reviews of empirical literature, this study is also supplemented by the workings of a reentry agency in the state of California. The focus of the work is to provide the best practices within prisoner reentry programs, to explore the barriers experienced by both prisoners and reentry agencies as they work toward the reentry of prisoners, and to discuss critical issues associated with prisoner reentry. The authors broach various topics regarding life after imprisonment, such as: the financial burden, problems faced by sex offenders, changing family dynamics and employment. An engaging and thought-provoking study, this book will be of particular interest to scholars of criminology theory, the justice system and sociology.

**Prisoner Reentry**

Stan Stojkovic 2017-07-06 This book addresses the core issues in prisoner reentry into society after incarceration. The chapters are written by academic scholars who have much experience researching and writing about prisoner reentry and by people who work in the field of prison reentry. At the Edge of History and Passages about Earth—William Irwin Thompson 1989-06 Seminal works of cultural history that changed the way we think about ourselves.

Prison Time—Shaun Attwood 2014-04-30 Prison Time, the sequel to Hard Time, is the story of Shaun Attwood's journey through the Arizona Department of Corrections and his deportation to England. Sentenced to nine years in Arizona's state prison for distributing Ecstasy, 'English Shaun' Attwood finds himself living among gang members, sexual predators and drug-crazed psychopaths. After being attacked by a 20-stone California biker in for stabbing a girlfriend, Shaun writes about the prisoners who befriend, protect and inspire him. They include T-Bone, a massive African American ex-Marine who risks his life saving vulnerable inmates from rape, and Two Tons, an old-school Mafia murderer who left the corpses of his rivals from Tucson to Alaska. They teach Shaun how to turn incarceration to his advantage, and to learn from his mistakes. Resigned to living alongside violent, mentally-ill, and drug-addicted inmates, Shaun immerses himself in psychology and philosophy to try to make sense of his past behaviour, and begins applying what he learns as he adapts to prison life. Encouraged by Two Tons to explore fiction as well, Shaun reads over a thousand books which, with support from brilliant psychotherapist Dr. O, speed along his personal development. As his ability to deflect daily threats improves, Shaun begins to look forward to his release with optimism and a new love waiting for him. Yet the words of Aristotle from one of Shaun’s books will prove prophetic: 'We cannot learn without pain'.

Prisoner of My Desire—Johanna Lindsey 2011-07-19 Destined to be yet another bestseller from the inimitable Johanna Lindsey. Spirited Rowena Belleme must produce an heir - or incur the dangerous wrath of a ruthless stepbrother who stands to forfeit his ill-gotten wealth. And the magnificent Warrick deChaville is the perfect choice to sire her child - though it means imprisoning the handsome knight and forcing him to bend to her amorous whims. Vowing to resist but betrayed by his virility, noble Warrick is intoxicated by Rowena’s sapphire eyes and voluptuous beauty. Yet all the while he plans a fitting revenge - eagerly awaiting the time when his sensuous captor becomes his helpless captive . . .and is made to suffer the same rapturous torment and exquisite ecstasy that he himself has endured.
