Poacher's Cookbook - Prue Coats 2003-01 *Every day is a feast day with The Poacher's Cookbook. * Stumped for a new way to cook pheasant? * Do you yearn for grouse roasted in the traditional way? * Do you want to prepare eel in green herb sauce or crayfish Swedish style? * Do you long for the inspiration for puddings to follow your game dishes? Then the The Poacher's Cookbook is for you - and your family and friends. Spiced with poaching and sporting anecdotes, country lore and sketches of country characters - a book to read in bed or have propped up by the kitchen stove. With Prue Coats' enthusiasm and practical advice you will astonish yourself, your family and your guests."

The Poacher's Cookbook - Prue Coats 2002

Game Cookbook - Poacher's Pot Cookbook - James Newton A comprehensive collection of game and fish recipes. There are sections on Grouse, Partridge, Pheasant, Pigeon, Rabbit, Venison, Trout dishes and many more. An cookbook from the turn of the century with a modern makeover - all the recipes you'll need for your hunting or night time activities.

A Tale of 12 Kitchens - Jake Tilson 2006-01-01 A culinary journey in search of the finest examples of family cookery in the U.S., France, Italy, and Britain describes the author's cooking adventures and includes more than seventy-five recipes from such disparate locales as Southern California, New York's Lower East Side, Tuscany, the Algerian quarter in Paris, and Scotland.

Country Life - 1993

The British National Bibliography - Arthur James Wells 1994

Poacher Wars - William Wasserman (Game warden) 2008-05 William Wasserman, a one-man wrecking crew who routinely confronted hostile, armed poachers in the backwoods of Pennsylvania and brought them to justice, writes about his encounters with outlaw hunters in a gritty, heart-pounding style that is sure to keep you turning pages until the last chapter has been read. Poacher Wars is an intense, well-written account about a true wildlife warrior and his fight against the criminals who plunder our natural resources. It's a book that will make you think about it long after you put it down. A book about a thin green line of dedicated game wardens, vastly outnumbered, who risk their lives on a daily basis in order to protect our wildlife for future generations to come. As a Pennsylvania Game Warden, Wasserman investigated thousands of game law violations. This fascinating, true-life book contains sixteen chapters about some of the most dangerous and unpredictable men Wasserman encountered during his 32-year career.

The L.L. Bean Game and Fish Cookbook - Donald Angus Cameron 1983 Provides recipes for preparing venison, rabbit, squirrel, woodchuck, pheasant, quail, duck, geese, trout, salmon, shad, bass, sole and swordfish, and offers tips on cooking outdoors

The Killing Game - Toni Anderson 2014-04-03 RITA and National Readers' Choice Award Finalist. Wildlife biologist Axelle Dehn isn't about to let anyone harm her endangered snow leopards--not the poacher intent on
killing them, nor the soldier who wants to use them as bait. But Axelle is unknowingly entangled in a conflict that stretches back three decades, a conflict that could spark a war between two of the world’s great nations. British SAS soldier, Ty Dempsey, is on a mission to hunt down an infamous Russian terrorist in a remote region of Afghanistan. Dempsey hasn’t failed a mission yet, but when Axelle is kidnapped by the Russian, he is forced to choose between duty and his heart. He risks everything to save the determined, prickly woman he’s fallen for, but in doing so sparks a deadly series of events that threaten to expose the most successful spy in history. A spy who will destroy anyone who gets in his way. Keywords: Toni Anderson, the killing game, Espionage, spy thriller, sexy alpha hero, British SAS soldier, Irish hero, military romance, snow leopard conservation, snow leopard, Afghanistan mountains, Wakhan Valley, terrorism, terrorist, conspiracy, the great game, Russian spies, MI6, Foreign Office, British spy thriller, biologist, biologist heroine, American heroine. Similar to: Catherine Coulter, Elizabeth Lowell, Nora Roberts, J.D. Robb, Linda Howard, Julie Garwood, Jayne Ann Krentz, Kat Martin, Maya Banks and Sandra Brown.

1001 Ways to Cook Rabbit - Bob D. Whitman 2005-01-01

An Elephant in My Kitchen - Françoise Malby-Anthony 2019-11-05 THE INTERNATIONAL BESTSELLER
"Malby-Anthony offers a book of great inspiration and wide appeal to nature-loving readers." — Publishers Weekly A heart-warming sequel to the international bestseller The Elephant Whisperer, by Lawrence Anthony's wife Françoise Malby-Anthony. A chic Parisienne, Françoise never expected to find herself living on a South African game reserve. But then she fell in love with conservationist Lawrence Anthony and everything changed. After Lawrence's death, Françoise faced the daunting responsibility of running Thula Thula without him. Poachers attacked their rhinos, their security team wouldn’t take orders from a woman and the authorities were threatening to cull their beloved elephant family. On top of that, the herd’s feisty new matriarch Frankie didn’t like her. In this heart-warming and moving book, Françoise describes how she fought to protect the herd and to make her dream of building a wildlife rescue center a reality. She found herself caring for a lost baby elephant who turned up at her house, and offering refuge to traumatized orphaned rhinos, and a hippo called Charlie who was scared of water. As she learned to trust herself, she discovered she’d had Frankie wrong all along. Filled with extraordinary animals and the humans who dedicate their lives to saving them, An Elephant in My Kitchen is a captivating and gripping read.

The Poacher's Son - Paul Doiron 2017-10-03 Desperate and alone, game warden Mike Bowditch strikes up an uneasy alliance with a retired warden pilot, and together the two men journey deep into the Maine wilderness in search of a runaway fugitive--Mike's father. But the only way for Mike to save his father is to find the real killer—which could mean putting everyone he loves in the line of fire.

Hunt for Justice - Lucinda Schroeder 2010-04-01 NOW IN PAPERBACK! "A true story that reads like a mystery." — Tony Hillerman "A suspenseful page-turner and a tale of true courage." — Ted Kerasote, author of Bloodties "Schroeder illuminates an unusual, insular world with unflinching grit." — Publishers Weekly For thirty years Lucinda Delaney Schroeder held an unusual government position: She was one of a handful of women special agents with the U.S. Fish and Wildlife Service. In August 1992 she accepted an assignment that forever changed her life. The petite blonde left behind her husband and seven-year-old daughter in Wisconsin and posed as a divorcee big-game hunter in Alaska in order to infiltrate an international ring of poachers out for trophy wildlife. A Hunt for Justice takes readers along during Schroeder's dangerous mission. More than an adventure or true-crime tale, it is the story of a woman surviving in a male-dominated field, a woman against the wilderness, and a wife and mother risking it all for a cause she believes in. Selected for the 2007 Amelia Bloomer Project list of recommended feminist literature for young readers.

Survival Poaching - Ragnar Benson 1980-03-01 Tells the survivalist how to collect wild game under any circumstances, using Indian secrets. Shows specific poaching methods for deer, elk, bear, moose, beaver, mink, muskrat, trout, salmon, grouse, pheasant, duck and dozens more. Includes detailed plans for many traps, snares, deadfalls, etc. Truly a fascinating and useful selection.
**Wildlife Wars**-Terry Grosz 2015-07-15 In "Wildlife Wars," Terry Grosz serves up fascinating stories—alternately hair-raising, hilarious, and heart-wrenching—from his 30-year struggle to protect wildlife in America. A natural storyteller, Grosz writes about the remarkable characters he met on both sides of the law—as he matched wits with elk poachers, salmon snaggers, commercial-market duck hunters, and a host of other law-breakers. Best of all, though, these stories are so remarkably entertaining you won’t want to put them down. *Wildlife Wars* is the winner of the 2000 National Outdoor Book Award, Nature and the Environment Category.

**Whitaker’s Books in Print**- 1998

**The White Giraffe**-Lauren St. John 2008-05-01 When Martine’s home in England burns down, killing her parents, she must go to South Africa to live on a wildlife game preserve, called Sawubona, with the grandmother she didn’t know she had. Almost as soon as she arrives, Martine hears stories about a white giraffe living in the preserve. But her grandmother and others working at Sawubona insist that the giraffe is just a myth. Martine is not so sure, until one stormy night when she looks out her window and locks eyes with Jemmy, a young silvery-white giraffe. Why is everyone keeping Jemmy’s existence a secret? Does it have anything to do with the rash of poaching going on at Sawubona? Martine needs all of the courage and smarts she has, not to mention a little African magic, to find out. First-time children’s author Lauren St. John brings us deep into the African world, where myths become reality and a young girl with a healing gift has the power to save her home and her one true friend.

**The Poacher’s Handbook**-Ian Niall 2003

**Backcountry Lawman**-Bob H. Lee 2015-03 In this book, Bob Lee revisits the days he spent as a fish and wildlife law enforcement officer in northeast Florida, detailing the many dangers he encountered while patrolling the waters and environs of the St. Johns River region from 1977 to 2007. With thirty years of Florida backcountry patrol experience, Bob Lee has lived through incidents of legend, including one of the biggest environmental busts in Florida history. His fascinating memoir reveals the danger and the humor in the unsung exploits of game wardens.

**Game**-Tom Norrington-Davies 2015-04-23 Two of the best food writers working today tackle a subject that has been in need of a definitive and fresh guide for many years. In this book, the authors share a knowledge on game cooking that is unrivalled in print form. They show how game offers so many wonderful and affordable choices for the home cook and just how easy it is to source, prepare and cook, something that precious few people seem to realise. They set out to completely demystify their subject and offer expert advice on how to joint, prepare, cook and enjoy every possible aspect of the foods that are hunted from the lands, skies and waters of Britain. Written with extreme clarity, insight and passion, and divided into chapters on four legs, two legs and no legs, this book really does explore every possible part of the world of game that you could ever wish to know. A true tour de force from a writing team at the height of their powers. Voted one of the Sunday Telegraph’s Books of the Year.

**The Contented Poacher**-Elantu B. Vedvode 2006-01 Throughout history, the poacher has been pigeonholed as scoundrel, thief, & criminal. But there exists another breed of poacher: one who proudly hunts without a gun, using guile alone. Veovode has spent a lifetime observing animals & coaxing them onto her plate. She’ll show you how to nab a turkey using a fishnet, tap into woodchuck psychology, avoid meeting a bear on a path, & catch catfish with cornmeal cakes. She also shares 60 original recipes, including her Lemon Roadrunner with Almonds, Porcupine in Pomegranate Sauce, & Rattlesnake Potpie with Prickly Pear Apples. Other recipes feature venison, buffalo, prairie dog, armadillo, field mouse, & grasshopper (along with store-bought substitutions for squeamish city dwellers). Illus.
The One-eyed Poacher of Privilege - Edmund Ware Smith 1941

Wildlife Rescue - Stephanie St. Pierre 1991 Barbie, Ken, and Kira travel to Africa to photograph wild animals and get involved with an orphaned elephant and a group of poachers.

Game Warden - Jerald Horst 2010-09-22 Of all law enforcement officers, game wardens inspire the most awe in the mind of the public. Working day and night, often in challenging terrain and bad weather, game wardens typically operate alone in remote areas and must understand the natural rhythms and cycles of the creatures and ecosystems they protect, all while encountering and sometimes interacting with people who are usually armed. Outdoors writer Jerald Horst spent one year riding on patrol with game wardens in the Louisiana Department of Wildlife and Fisheries. In riveting episodes, he chronicles their adventures, providing an up-close view of this demanding job and the band of men who take it on. From the piney woods of the northwestern part of the state to the soggy Mississippi River delta and beyond to the deep waters of the Gulf of Mexico, Horst accompanied dozens of wildlife agents, observing them, asking questions, sometimes sitting for hours with no action, and occasionally fearing for his life, as in the case of one speedboat chase. His candid observations show that the work of agents is often mentally and physically challenging, sometimes tedious, and -- more often than would be expected -- humorous, but never dull. Whether wardens are conducting routine checks of law-abiding sportsmen or in pursuit of suspected poachers, the unanticipated is the norm. A seemingly ordinary stop can turn deadly in an instant. As one officer told Horst “complacency can get you killed.” More than a job, serving as a game warden is a way of life, and Horst relates how the agents he met came to their calling. An objective look at a heroic career, Game Warden offers an enthralling portrait of both the profession and the men behind the badge.

Randy Wayne White’s Ultimate Tarpon Book - Randy Wayne White 2012-10-01 Featuring Contributions from Ernest Hemingway, Zane Grey, Theodore Roosevelt, Ted Williams, Thomas Edison, Stu Apte, Vic Dunaway, Thomas McGuane, Nick Lyons, and many more!

The Sportsman’s Game and Fish Cookbook - Helen Lyon Adamson 1957

The Game Cook - Norman Tebbit 2017-12-14 “An enjoyable and practical guide to dealing with game in the kitchen. Partridge, duck, venison, pheasant and grouse are all managed imaginatively.” —The Express On visiting his local butcher, Norman Tebbit, food lover and family cook, wondered why people would rather buy tasteless, factory-farmed chicken when they could eat good-quality game often for less money. “I think mostly,” replied the butcher, “it’s because they don’t know how to cook them—and they think it would be very difficult.” First published in 2009 and unavailable for many years, this is a revised, updated and redesigned edition, now containing new recipes, of this immensely popular cookbook. Norman Tebbit showcases his favorite game recipes including pheasant, partridge, duck, grouse, wood pigeon, woodcock, deer, rabbit, and many more. Whether the recipe is a relatively simple casserole, or a more challenging dish, the easy-to-follow style guarantees consistent results. The book also includes a concise guide to game, instructions on preparation, advice on kitchen equipment, handy conversion charts, and individual hints and tips on the various game included. Written with humor, The Game Cook is a practical handbook of mouthwatering recipes for eco-cooks, traditional food-lovers and those who are looking for some money-saving ways to provide tasty, wholesome meat dishes to the family. “How to cook a catalogue of beasts [Norman] has stalked and bagged during a lifetime as a keen game shooter.” —Independent

American Buffalo - Steven Rinella 2008-12-02 From the host of the Travel Channel’s “The Wild Within.” A hunt for the American buffalo—an adventurous, fascinating examination of an animal that has haunted the American imagination. In 2005, Steven Rinella won a lottery permit to hunt for a wild buffalo, or American bison, in the Alaskan wilderness. Despite the odds—there’s only a 2 percent chance of drawing the permit, and fewer than 20 percent of those hunters are successful—Rinella managed to kill a buffalo on a snow-covered...
mountainside and then raft the meat back to civilization while being trailed by grizzly bears and suffering from hypothermia. Throughout these adventures, Rinella found himself contemplating his own place among the 14,000 years’ worth of buffalo hunters in North America, as well as the buffalo’s place in the American experience. At the time of the Revolutionary War, North America was home to approximately 40 million buffalo, the largest herd of big mammals on the planet, but by the mid-1890s only a few hundred remained. Now that the buffalo is on the verge of a dramatic ecological recovery across the West, Americans are faced with the challenge of how, and if, we can dare to share our land with a beast that is the embodiment of the American wilderness. American Buffalo is a narrative tale of Rinella’s hunt. But beyond that, it is the story of the many ways in which the buffalo has shaped our national identity. Rinella takes us across the continent in search of the buffalo’s past, present, and future: to the Bering Land Bridge, where scientists search for buffalo bones amid artifacts of the New World’s earliest human inhabitants; to buffalo jumps where Native Americans once ran buffalo over cliffs by the thousands; to the Detroit Carbon works, a “bone charcoal” plant that made fortunes in the late 1800s by turning millions of tons of buffalo bones into bone meal, black dye, and fine china; and even to an abattoir turned fashion mecca in Manhattan’s Meatpacking District, where a depressed buffalo named Black Diamond met his fate after serving as the model for the American nickel. Rinella’s erudition and exuberance, combined with his gift for storytelling, make him the perfect guide for a book that combines outdoor adventure with a quirky blend of facts and observations about history, biology, and the natural world. Both a captivating narrative and a book of environmental and historical significance, American Buffalo tells us as much about ourselves as Americans as it does about the creature who perhaps best of all embodies the American ethos.

The Tusk That Did the Damage-Tania James 2015-03-10 From the critically acclaimed author of Atlas of Unknowns and Aerogrammes, a tour de force set in South India that plumbs the moral complexities of the ivory trade through the eyes of a poacher, a documentary filmmaker, and, in a feat of audacious imagination, an infamous elephant known as the Gravedigger. Orphaned by poachers as a calf and sold into a life of labor and exhibition, the Gravedigger breaks free of his chains and begins terrorizing the countryside, earning his name from the humans he kills and then tenderly buries. Manu, the studious younger son of a rice farmer, loses his cousin to the Gravedigger’s violence and is drawn, with his wayward brother Jayan, into the sordid, alluring world of poaching. Emma is a young American working on a documentary with her college best friend, who witnesses the porous boundary between conservation and corruption and finds herself in her own moral gray area: a risky affair with the veterinarian who is the film’s subject. As the novel hurtles toward its tragic climax, these three storylines fuse into a wrenching meditation on love and betrayal, duty and loyalty, and the vexed relationship between man and nature. With lyricism and suspense, Tania James animates the rural landscapes where Western idealism clashes with local reality; where a farmer’s livelihood can be destroyed by a rampaging elephant; where men are driven to poaching. In James’ arrestingly beautiful prose, The Tusk That Did the Damage blends the mythical and the political to tell a wholly original, utterly contemporary story about the majestic animal, both god and menace, that has mesmerized us for centuries. This eBook edition includes a Reading Group Guide.

Carriage of Justice-Gerald Hammond 1996 Deborah Fellowes and her Uncle Ronnie trail a poacher in the Scottish Highlands and find a notorious murderer

The Last English Poachers-Bob Tovey 2016-06-30 In deepest Gloucestershire a secret way of life is clinging to a fragile existence. This is the world of the last English poachers - men who have lived off the land, taking game from the big country estates, risking the wrath of gamekeepers in order to feed their families and make a modest livelihood. Bob and Brian Tovey are poachers of the old stripe: a father and son of 75 and 50 years old respectively, who are continuing their ancestors' traditions, reluctant to surrender the old ways of sourcing food from nature. Writer John McDonald has obtained unique access to the men's lives and histories, and tells their fascinating story in their own words. The book is filled with anecdotes both moving and hilarious, as their sense of self-preservation, mistrust of outsiders and suspicions of modern technology express themselves in daily life. It is set against the backdrop of country sports as they used to be - and colourfully explains the shoots, the once-legal coursing meets, the centuries' old techniques of lamping, ferreting and netting and, of course, how the poachers outwit the keepers and police and escape with their quarry. It is a genuine, colourful
and offbeat chronicle that documents rural life from a whole new perspective and a sense of humour.

**The Eat-Clean Diet Cookbook** - Tosca Reno 2011-10-19 With the success of the Eat-Clean Diet came the demand for more recipes, and author Tosca Reno is not only a health and fitness expert, she's also an excellent cook. She's always loved cooking for friends and family, and her Clean-Eating lifestyle inspired her to create fabulous meals that everyone would love. Who better to write a cookbook that would make the whole family happy . . . both at the table and when they shop for clothes a few sizes smaller! Get: • 150 beautiful food photographs • Delectable low-fat beef, pork, chicken and fish dinners • Protein-rich meat-free recipes • Gluten-free meals • Tips on eating clean in difficult situations • Timesaving one-dish meals for busy moms • Great recipes on the go • How to prepare an elegant clean-eating event.

**Moose Tracks** - Mary Casanova 2013-08-01 Twelve-year-old Seth wants to prove to his stepfather, the game warden, that he is responsible enough to use his shotgun on his own. Without permission, he takes matters into his own hands and shoots his first rabbit. He is worried about what his father will say when he finds out—and Seth himself is unsure of how he feels about it—but before he can confess, Seth’s life is turned upside down. In the woods near his house, he sees poachers slaughter a moose cow and injure her calf. Rather than tell his stepfather about the incident, Seth tries to save the calf, but the poachers know who he is and threaten his family. Can he rescue the moose and bring the poachers to justice? He has to try.

**Nola** - Stephanie Lisa Tara 2016-03-01

**Field & Stream** - 1980-12 FIELD & STREAM, America’s largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

**The Immortal Game** - David Shenk 2011-03-04 A surprising, charming, and ever-fascinating history of the seemingly simple game that has had a profound effect on societies the world over. Why has one game, alone among the thousands of games invented and played throughout human history, not only survived but thrived within every culture it has touched? What is it about its thirty-two figurative pieces, moving about its sixty-four black and white squares according to very simple rules, that has captivated people for nearly 1,500 years? Why has it driven some of its greatest players into paranoia and madness, and yet is hailed as a remarkably powerful intellectual tool? Nearly everyone has played chess at some point in their lives. Its rules and pieces have served as a metaphor for society, influencing military strategy, mathematics, artificial intelligence, and literature and the arts. It has been condemned as the devil’s game by popes, rabbis, and imams, and lauded as a guide to proper living by other popes, rabbis, and imams. Marcel Duchamp was so absorbed in the game that he ignored his wife on their honeymoon. Caliph Muhammad al-Amin lost his throne (and his head) trying to checkmate a courtier. Ben Franklin used the game as a cover for secret diplomacy. In his wide-ranging and ever-fascinating examination of chess, David Shenk gleefully unearths the hidden history of a game that seems so simple yet contains infinity. From its invention somewhere in India around 500 A.D., to its enthusiastic adoption by the Persians and its spread by Islamic warriors, to its remarkable use as a moral guide in the Middle Ages and its political utility in the Enlightenment, to its crucial importance in the birth of cognitive science and its key role in the aesthetic of modernism in twentieth-century art, to its twenty-first-century importance in the development of artificial intelligence and use as a teaching tool in inner-city America, chess has been a remarkably omnipresent factor in the development of civilization. Indeed, as Shenk shows, some neuroscientists believe that playing chess may actually alter the structure of the brain, that it may be for individuals what it has been for civilization: a virus that makes us smarter.

**Poachers** - Tom Franklin 2009-10-13 In ten stunning and bleak tales set in the woodlands, swamps and chemical plants along the Alabama River, Tom Franklin stakes his claim as a fresh, original Southern voice. His lyric, deceptively simple prose conjures a world where the default setting is violence, a world of hunting...
and fishing, gambling and losing, drinking and poaching—a world most of us have never seen. In the chilling title novella (selected for the anthologies New Stories from the South: The Year’s Best, 1999 and Best Mystery Stories of the Century), three wild boys confront a mythic game warden as mysterious and deadly as the river they haunt. And, as a weathered, hand-painted sign reads: "Jesus is not coming." This terrain isn’t pretty, isn’t for the weak of heart, but in these desperate, lost people, Franklin somehow finds the moments of grace that make them what they so abundantly are: human.

**Woods Cop**-John Wasserman (Game warden) 2020-06-15 True stories about a game warden tracking down poachers and bringing them to justice.

**Game Cookery**-Angela Humphreys 2013-08-29 The new edition of this popular cookbook includes 20 new game recipes, so indulge your taste buds with new sensations! Featuring over 120 delicious recipes for cooking grouse, partridge, pheasant, duck, rabbit, venison, and other game, these easy-to-follow recipes include dishes appropriate for everyday family meals, special occasions, picnics, and barbecues. Game is naturally low in fat and calories and is an ideal part of a healthy diet. A guide for preparing game so that it is fit to be eaten is included, as is an assortment of recipe accompaniments such as sauces, stuffings, and salads. With 18 full-colour illustrations by the well-known wildlife artist John Paley this is an attractive and useful gift for all those keen on hunting, shooting and fishing and those who cook what they bring home.

**Bad Little Falls**-Paul Doiron 2012-08-07 Summoned to a rustic cabin during a blizzard, Maine game warden Mike Bowdich embarks on a dangerous investigation involving a notorious drug dealer, a beautiful woman with a dark past and her troubled young son. By the Anthony Award- and Edgar Award-nominated author of The Poacher's Son. 35,000 first printing.
