anyone who cares about their money, the Ken Fisher Classics Collection offers three volumes of proven advice from an investing legend. In this new e-book bundle, you'll get the best of Fisher with three books that show investors how to improve their investing success by answering three simple questions:

1. **Preppercity:** Prepares you to identify and avoid financial scams that could instantly destroy your wealth
2. **Debunkery:** Helps investors determine whether a financial advisor is right for them
3. **How to Smell a Rat:** Shows investors how to protect their interests and assets from all investment endeavors

Filled with in-depth insights and practical advice, this reliable resource takes an engaging look at recent and historic financial frauds and arms you with the questions to ask when assessing a money manager.

Good news is fraudsters often follow the same basic playbook. Learn the playbook, and know how to ask the right questions. Ken Fisher provides you with an inside’s view on how to spot financial disasters before you become a part of them.
