The two translators whose printed works are contained in this volume were the daughters of Henry VIII. Whilst they both suffered from their father’s changes of wives and faiths, after his marriage in 1543 to Katherine Parr they both benefited from their new stepmother’s kindness. In different ways, she was involved in the production of the texts contained in this volume. When Princess Elizabeth was eleven she began to translate Le Mirroir de l’âme pécheresse (1531), a verse meditation by Marguerite of Angoulême, sister of King Francis I of France. The Princess dedicated it to Katherine Parr as a New Year’s present in January 1545. It is John Bale’s 1548 edition that is reproduced here. Also the c.1568 edition published by Denham which includes a set of prayers by James Cancellar designed to be said by Elizabeth and an acrostic on ‘Elizabeth Regina’. At about the same time as Elizabeth was working on her translation, Mary (1515-1558) was likewise helping Katherine Parr reform Tudor devotional life through scripture-based scholarship, literature and translation. The Queen asked her to join a group involved in translating the influential Paraphrases in Novum Testamentum by Desiderius Erasmus. Whilst the true translators of this long Latin text is debated it is thought that Mary was part way through the section of the Gospel of John when illness (or possibly her disagreement Parr’s Reformist sympathies) caused her to pass the rest over to her chaplain, Francis Malet. The translations, including Mary’s contribution, began to see print in 1548 under the editorship of Richard Grafton. Edward VI’s government required all parishes to acquire copies, so that together with various English Bibles and the Book of Common Prayer, the Paraphrases long helped to shape English religious life. We reprint here the entire section of John’s gospel from a copy of the 1548 edition including Erasmus’ preface to the Archduke Ferdinand of Austria, and a letter, which credits the translation to Mary, from Nicholas Updall to Katherine Parr.

The Early Modern Englishwoman-Anne Lake Prescott 2001

Elizabeth and Mary Tudor-Elizabeth I (Queen of England) 2001 The two translators whose printed works are contained in this volume were the daughters of Henry VIII. Whilst they both suffered from their father’s changes of wives and faiths, after his marriage in 1543 to Katherine Parr they both benefited from their new stepmother’s kindness. In different ways, she was involved in the production of the texts contained in this volume. When Princess Elizabeth was eleven she began to translate Le Mirroir de l’âme pécheresse (1531), a verse meditation by Marguerite of Angoulême, sister of King Francis I of France. Mary, from Nicholas Updall to Katherine Parr.

The Monument of Matrones Volume 1 (Lamps 1-3)-Colin B. Atkinson 2017-03-02 As its compiler Thomas Bentley writes, The Monument of Matrones (1582) is a 'domestical librarie plentifullie stored and replenished'. This 1500-page book is one of a long line of books of secular prayer reaching from the Middle Ages through the sixteenth-century English compilations of prayer and meditations that grew out of the English Reformation. It is unique because it is addressed specifically to women and contains prayers and meditations written by women as well as for them. The Monument helped define women's roles in the Anglican Church and is intertwined with the whole nature of the Protestant Reformation and the place of women in it. The work is divided into seven numbered parts which Bentley titles 'Lamps'. This structural theme is based on a fusion of the imagery of the wise and foolish virgins and their lamps in Matthew 25:1-13 with the vision of the seven lampstands (or seven-branched candlestick) in Rev.1:20-2:1. In this facsimile edition Volume 1 contains Lamps 1-3, Volume 2 contains Lamp 4, and Volume 3 contains Lamps 5-7. The Introductory Note that appears in each of the three volumes provides an overview of the contents of The Monument which will help the reader to appreciate the riches of this immense book. It is also significant in identifying, for the first time, the compiler Thomas Bentley as the churchwarden of St Andrew Holborn, City of London. The copy reproduced in this edition is the British Library copy; where necessary, pages from The Huntington Library copy have been substituted.

The Early Modern Englishwoman: Elizabeth and Mary Tudor- 2000

Mary Tudor-Anna Whitelock 2016-02-23 An unadulterated look at "Bloody Mary"--Elder daughter of Henry VIII, Catholic zealot, and England's first and most murderous queen--argues that history has treated the much-maligned monarch unfairly.

The Monument of Matrones: Lamp 4-Thomas Bentley (student of Gray's Inn.) 2005 As its compiler Thomas Bentley writes, The Monument of Matrones (1582) is a 'domestical librarie plentifullie stored and replenished'. Mary Tudor - Linda Porter 2010-09-02 A striking and sympathetic portrait of England's first Queen, Mary I - whose character has been vilified for over 400 years. Instead of the bloodthirsty bigot of Protestant mythology, Mary Tudor emerges from the pages of this deeply-researched biography as a cultured renaissance princess, a courageous survivor of the violent power struggles that characterised the reigns of her father, Henry VIII, and brother Edward VI. The author does not belittle Mary's burning of heretics, which earned her the subriquet 'Bloody Mary', but she also had many endearing personal qualities and talents, not least the courage of leadership she showed in facing down Northumberland's rebellion. A well-balanced and readable biography of Mary I is long overdue.

Mary, Queen of France - Jean Plaidy 2010-05-05 Legendary historical novelist Jean Plaidy brings to life the story of Princess Mary Tudor, a celebrated beauty and born rebel who would defy the most powerful king in Europe—her older brother. Princess Mary Rose is the youngest sister of Henry VIII, and one of the few people whom he adores unconditionally. Known throughout Europe for her charm and good looks, Mary is the golden child of the Tudor family and is granted her every wish. Except when it comes to marriage. Henry VIII, locked in a political showdown with France, decides to offer up his pampered baby sister to secure peace between the two mighty kingdoms. Innocent, teenage Mary must become the wife of the elderly King Louis, a toothless, ailing man in his sixties. Horrified and furious, Mary has no choice but to sail for France. There she hone her political skills, bides her time, and remains secretly in love with Charles Brandon, the Duke of Suffolk. When King Louis dies after only two years of marriage, Mary is determined not to be sold into another unhappy union. She must act quickly; if she wants to be with the man she truly loves, she must defy the laws of church and state by marrying without her brother's permission. Together, Mary and Charles devise a scheme to outwit the most ruthless king in Europe and gain their hearts’ desire, not knowing if it will lead to marital bliss or certain death.

Mary, Bloody Mary - Carolyn Meyer 2001 Mary Tudor, who would reign briefly as Queen of England during the mid sixteenth century, tells the story of her troubled childhood as daughter of King Henry VIII. Reprint. 20,000 first printing.

Rival Sisters - Sylvia Soberton 2019-11-13 "Partners both in throne and grave, here rest we two sisters Elizabeth and Mary, in the hope of one resurrection." This inscription is visible on the tomb where Elizabeth I and her half sister, Mary I, lie buried together in one vault in the North Aisle of Henry VII's Lady Chapel in Westminster Abbey. It is the relationship between Elizabeth and her Scottish cousin Mary Stuart that is often discussed and pondered over while the relationship between Elizabeth and her own half sister is largely forgotten. Yet it is the relationship with Mary Tudor that forged Elizabeth's personality and set her on the path to queenship. Mary's reign was the darkest period in Elizabeth's life. "I stood in danger of my life, my sister was so incensed against me," Elizabeth reminded her councillors when they pressed her to name a successor. It is time to tell the whole story of the fierce rivalry between the Tudor half sisters who became their father's successors.
Bloody Mary—Carolly Erickson 2007-04-01 Here is the tragic, stormy life of Mary Tudor, daughter of Henry VIII and Katherine of Aragon. Her story is a chronicle of courage and faith, betrayal and treachery-set amidst the splendor, pageantry, squalor, and intrigue of sixteenth-century Europe. The history of Mary Tudor is an improbable blend of triumph, humiliation, heartbreak, and devotion—and Ms. Erickson recounts it all against the turbulent background of European politics, war, and religious strife of the mid-1500s. The result is a rare portrait of the times and of a woman elevated to unprecedented power in a world ruled and defined by men.

Reading Monarch’s Writing—Peter C. Herman 2002 "In the first book to examine the verse produced by Tudor and Stuart monarchs, eight Renaissance scholars demonstrate how monarchs used verse to reflect on their monarchic status and to assert royal policy. As almost all of the poetry of these regal authors is inaccessible, the volume includes a selection of their verse in modernized and newly edited texts, offering an ideal study volume for specialists and the classroom. The contributors examine the nexus of poetry and power from an unconventional New Historicist perspective: from that of the person in power who writes poetry rather than that of the suitor of power. Their approaches to the subject are interdisciplinary, combining literary studies, women’s studies, history, the history of sexuality, and manuscript studies.”

Mary Tudor "Bloody Mary"—Gretchen Maurer 2012-06-30 The first reigning Queen of England, Mary Tudor believed fervently that Catholicism should be the religion of the land, leading her to burn at the stake hundreds of Protestants. Was she just a ruler of her times, or did she deserve the name, Bloody Mary? Gorgeous illustrations and an intelligent, evocative story bring to life a real dastardly dame who, fueled by her faith, created a religious firestorm.

The Church Under Queen Elizabeth—Frederick George Lee 1896

Books in Print, 2004-2005- 2004

Beware, Princess Elizabeth—Carolyn Meyer 2002-09-01 Imprisonment. Betrayal. Lost love. Murder. What more must a princess endure? Elizabeth Tudor’s teenage and young adult years during the turbulent reigns of Edward and then Mary Tudor are hardly those of a fairy-tale princess. Her mother has been beheaded by Elizabeth’s own father, Henry VIII; her jealous half sister, Mary, has her locked away in the Tower of London; and her only love interest betrays her in his own quest for the throne. Told in the voice of the young Elizabeth and ending when she is crowned queen, this second novel in the exciting series explores the relationship between two sisters who became mortal enemies. Carolyn Meyer has written an intriguing historical tale that reveals the deep-seated rivalry between a determined girl who became one of England’s most powerful monarchs and the sister who tried everything to stop her.

The British National Bibliography—Arthur James Wells 2002

The Early Modern Englishwoman—Betty S. Travitsky 2001

I Am Mary Tudor—Hilda Lewis 1971

The Renaissance Englishwoman in Print—Anne M. Haselkorn 1990 Many distinctive features of the English Renaissance -- its lateness relative to the Renaissance in southern Europe, its adaptations to the wide swings of the Tudor and Stuart political, economic, cultural, and religious programs, its generally sober, religious tone, its governance for a stretch of approximately fifty years by a woman -- are widely recognized. But the consequences of these peculiarities for English women are less familiar. The Renaissance Englishwoman in
Print attempts to investigate these consequences by examining cultural products of Tudor and Stuart England. Focusing chiefly on literary texts, the essays in this collection correlate writings by men that have traditionally been contained within the literary canon with writings by women that have traditionally been marginalized. The essays in this collection treat cultural documents in ways that necessarily raise and address questions about English Renaissance politics, religion, and economics. Many of the gendered assumptions of the English Renaissance are highlighted by this counterbalancing of representations of Renaissance women by contemporary men with writings (on related topics) by Renaissance women.

**Life of Elizabeth First**- Alison Weir 1999 Presents an exhaustively researched biography that reveals the personality, private life, and romantic intrigues of Elizabeth I

**Elizabeth**- John Guy 2016-05-03 COSTA AWARD FINALIST ECONOMIST BOOK OF THE YEAR FINANCIAL TIMES BOOK OF THE YEAR Film rights acquired by Gold Circle Films, the team behind My Big Fat Greek Wedding “A fresh, thrilling portrait... Guy’s Elizabeth is deliciously human.” –Stacy Schiff, The New York Times Book Review A groundbreaking reconsideration of our favorite Tudor queen, Elizabeth is an intimate and surprising biography that shows her at the height of her power. Elizabeth was crowned queen at twenty-five, but it was only when she reached fifty and all hopes of a royal marriage were behind her that she began to wield power in her own right. For twenty-five years she had struggled to assert her authority over advisers, who pressed her to marry and settle the succession; now, she was determined not only to reign but to rule. In this magisterial biography, John Guy introduces us to a woman who is refreshingly unfamiliar: at once powerful and vulnerable, willful and afraid. We see her confronting challenges at home and abroad: war against France and Spain, revolt in Ireland, an economic crisis that triggers riots in the streets of London, and a conspiracy to place her cousin Mary Queen of Scots on her throne. For a while she is smitten by a much younger man, but can she allow herself to act on that passion and still keep her throne? For the better part of a decade John Guy mined long-overlooked archives, scouring handwritten letters and court documents to sweep away myths and rumors. This prodigious historical detective work has enabled him to reveal, for the first time, the woman behind the polished veneer: determined, prone to fits of jealous rage, wracked by insecurity, often too anxious to sleep alone. At last we hear her in her own voice expressing her own distinctive and surprisingly resonant concerns. Guy writes like a dream, and this combination of groundbreaking research and propulsive narrative puts him in a class of his own. "Significant, forensic and myth-busting, John Guy inspires total confidence in a narrative which is at once pacy and rich in detail." – Anna Whitelock, TLS “Most historians focus on the early decades, with Elizabeth’s last years acting as a postscript to the beheading of Mary Queen of Scots and the defeat of the Spanish Armada. Guy argues that this period is crucial to understanding a more human side of the smart redhead.” – The Economist, Book of the Year

**Shakespearean Criticism**- 1984

**Elizabeth I**- Elisabeth I. (England, Königin) 2003 The first exhaustive treatment of the great monarch’s letters opens the door to her life through her correspondence--from letters she wrote at ten to barely legible letters scrawled to her successor when she was on her deathbed. (Biography)

**The World Book encyclopedia**- Vol. 20-- UV. 1987 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

**Queen Elizabeth's Daughter**- Anne Clinard Barnhill 2014-03-18 From Anne Barnhill, the author of At the Mercy of the Queen, comes the gripping tale of Mary Shelton, Elizabeth I’s young cousin and ward, set against the glittering backdrop of the Elizabethan court Mistress Mary Shelton is Queen Elizabeth's favorite ward, enjoying every privilege the position affords. The British queen loves Mary like a daughter, and, like any good mother, she wants her to make a powerful match. The most likely prospect: Edward de Vere, Earl of Oxford. But while Oxford seems to be everything the queen admires: clever, polished and wealthy, Mary knows him to
be lecherous, cruel, and full of treachery. No matter how hard the queen tries to push her into his arms, Mary refuses. Instead, Mary falls in love with a man who is completely unsuitable. Sir John Skydemore is a minor knight with little money, a widower with five children. Worst of all, he’s a Catholic at a time when Catholic plots against Elizabeth are rampant in England. The queen forbids Mary to wed the man she loves. When the young woman, who is the queen’s own flesh and blood, defies her, the couple finds their very lives in danger as Elizabeth’s wrath knows no bounds.

Elizabeth I, Red Rose of the House of Tudor-Kathryn Lasky 1999 As a new edition to The Royal Diaries series, this factual tale offers young readers an insight to the life and times of this famous royal prior to her days on the throne as the Queen of England.

Fires of Faith-Eamon Duffy 2010-10-26 The reign of Mary Tudor has been remembered as an era of sterile repression, when a reactionary monarch launched a doomed attempt to reimpose Catholicism on an unwilling nation. Above all, the burning alive of more than 280 men and women for their religious beliefs seared the rule of “Bloody Mary’ into the protestant imagination as an alien aberration in the onward and upward march of the English-speaking peoples. In this controversial reassessment, the renowned reformation historian Eamon Duffy argues that Mary’s regime was neither inept nor backward looking. Led by the queen's cousin, Cardinal Reginald Pole, Mary's church dramatically reversed the religious revolution imposed under the child king Edward VI. Inspired by the values of the European Counter-Reformation, the cardinal and the queen reinstated the papacy and launched an effective propaganda campaign through pulpit and press. Even the most notorious aspect of the regime, the burnings, proved devastatingly effective. Only the death of the childless queen and her cardinal on the same day in November 1558 brought the protestant Elizabeth to the throne, thereby changing the course of English history.

Beware, Princess Elizabeth-Carolyn Meyer 2002 Written in the first-person, this tale addresses the years before this princess's coronation and the struggles she faced in order to stay alive under the reign of her sister Mary. Reprint. 20,000 first printing.

The First Queen of England-Linda Porter 2007 A revisionist portrait of Mary Tudor contends that she is one of English history's least understood monarchs and discusses her mistreatment by her father Henry VIII and brother Edward VI, her struggles to retain her crown, and her premature death.

Paperbound Books in Print- 1991

American Book Publishing Record- 2000

Ashgate Critical Essays on Women Writers in England, 1550-1700: Early Tudor women writers-Mary Ellen Lamb 2009 This volume includes leading scholarship on five writers active in the first half of the sixteenth century: Margaret More Roper, Katherine Parr, Anne Askew, Mildred Cooke Cecil and Anne Cooke Bacon. The essays represent a range of theoretical approaches and provide valuable insights into the religious, social, economic and political contexts essential for understanding these writers’ texts. The introduction surveys the development of the field as an interdisciplinary project involving literature, history, classics, religion and cultural studies.

The Tudor Queens of England-David Loades 2009-01-01 An intimate and revealing look at the daily lives and responsibilities of the Tudor Queens of England From Elizabeth of York, wife of Henry VII, the first Tudor monarch, to Elizabeth I, her grand-daughter and the last, The Tudor Queens of England delves into the secret lives of some of the most colorful and dramatic women in British history. The majority of the fourteen queens
considered here, from Catherine de Valois and Elizabeth Woodville to Elizabeth of York, Jane Seymour and Catherine Parr, were consorts, the wives of kings. Although less frequently examined than ruling queens, queen consorts played a crucial and central role within the Royal Court. Their first duty was to bear children and their chastity within marriage had to be above reproach. Any suspicion of sexual misconduct would cast doubt on the legitimacy of their offspring. Three of these women - Margaret of Anjou, Anne Boleyn and Catherine Howard - were accused of such conduct, and two were tried and executed. A queen also had to contribute to her husband's royal image. This could be through works of piety or through humble intercession. It could also be through her fecundity because the fathering of many children was a sign of virility and of divine blessing. A queen might also make a tangible contribution to her husband's power with her marriage as the symbol of an international diplomatic agreement. A ruling queen was very different, especially if she was married, insofar as she had to fill the roles of both king and queen. No woman could be both martial and virile, and at the same time submissive and supportive. Mary I solved this problem in a constitutional sense but never at the personal level. Elizabeth I sacrificed motherhood by not marrying. She chose to be mysterious and unattainable - la belle dame sans merci. In later life she used her virginity to symbolize the integrity of her realm and her subjects remained fascinated by her unorthodoxy. How did they behave (in and out of the bedchamber)? How powerful were they as patrons of learning and the arts? What religious views did they espouse and why? How successful and influential were they? From convenient accessory to sovereign lady the role of queen was critical, colorful, and often dramatic. The Tudor Queens of England is the first book of its kind to intimately examine these questions and more.

Elizabeth I

Elizabeth I 2002-02-25 This long-awaited and masterfully edited volume contains nearly all of the writings of Queen Elizabeth I: the clumsy letters of childhood, the early speeches of a fledgling queen, and the prayers and poetry of the monarch's later years. The first collection of its kind, Elizabeth I reveals brilliance on two counts: that of the Queen, a dazzling writer and a leading intellect of the English Renaissance, and that of the editors, whose copious annotations make the book not only essential to scholars but accessible to general readers as well. "This collection shines a light onto the character and experience of one of the most interesting of monarchs. . . . We are likely never to get a closer or clearer look at her. An intriguing and intense portrait of a woman who figures so importantly in the birth of our modern world."—Publishers Weekly "An admirable scholarly edition of the queen's literary output. . . . This anthology will excite scholars of Elizabethan history, but there is something here for all of us who revel in the English language."—John Cooper, Washington Times "Substantial, scholarly, but accessible. . . . An invaluable work of reference."—Patrick Collinson, London Review of Books "In a single extraordinary volume . . . Marcus and her coeditors have collected the Virgin Queen's letters, speeches, poems and prayers. . . . An impressive, heavily footnoted volume."—Library Journal "This excellent anthology of [Elizabeth's] speeches, poems, prayers and letters demonstrates her virtuosity and afford the reader a penetrating insight into her 'wiles and understandings.'"—Anne Somerset, New Statesman "Here then is the only trustworthy collection of the various genres of Elizabeth's writings. . . . A fine edition which will be indispensable to all those interested in Elizabeth I and her reign."—Susan Doran, History "In the torrent of words about her, the queen's own words have been hard to find. . . . [This] volume is a major scholarly achievement that makes Elizabeth's mind much more accessible than before. . . . A veritable feast of material in different genres."—David Norbrook, The New Republic
