The Having Of Wonderful Ideas: And Other Essays On Teaching And Learning

The Having Of Wonderful Ideas: And Other Essays On Teaching And Learning

To get the best answer-in business, in life—you have to ask the best possible question. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy—and then abandon as we grow up. Yet, in the hands of a true master, the question can light up the whole room. It can be a way of finding a better way to do something, or a better something to do. It can be a way of understanding the world, of making sense of what we see and hear. It can be the key to creativity, to innovation, to success. It is, quite simply, the best tool we have.

The Having Of Wonderful Ideas: And Other Essays On Teaching And Learning

Eleanor Duckworth's ideas contained in these timeless essays are more important than ever to the public discourse on education. They are a much-needed antidote to many of today's school reform practices, where a single prescription is meant to fit all students. In a world where every student is different, where what motivates one student may not motivate another, where the learning process can be as important as the learning itself, these essays offer a path forward. They are a reminder that the best education is one that is personalized, one that allows each student to reach their full potential. They are a call to action for all who believe in the power of education to change the world.
The Children's Book of Christmas Stories

Asa Don Dickinson 2011-10-01

This fine book from the turn of the 19th Century contains 35 wonderful and inspiring Christmas stories for children. These stories were already well-received in England before they were pulled together to make this book. Included are excerpts from "A Christmas Carol" by Charles Dickens and the Christmas Bible stories from the New Testament and the Gospels. Every story is simply told and divided between stories for little kids, intermediate kids, and the older set. Each of the stories has already won the approval of thousands of children, and each is packed with the true Christmas spirit: that small thoughtful actions ... and divided between stories for little kids, intermediate kids, and the older set. Each of the stories has already won the approval of thousands of children, and each is packed with the true Christmas spirit: that small thoughtful actions...
