

Social Problems In India Ram Ahuja 3rd Edition

Social Problems in India-Ram Ahuja 2014-03-01 Previously published in 1997, the latest edition includes five additional chapters; discussion of additional problems such as honor killings, acid attacks, and cyber crimes; updated statistics; and arguments or comments reflecting new developments.

Social Problems in India-Ram Ahuja 1997

Indian Social Problems-CN Shankar Rao 2017 This book entitled 'Indian Social Problems: A Sociological Perspective' provides a glimpse of many social problems that have been haunting the Indian society since years, decades, and even centuries. Though India is fast developing, it has lots of regional, cultural, linguistic and religious diversities. These diversities are also reflected in its social problems. This book covers social problems which are general in nature and common to the whole nation such as population problem, poverty, unemployment, child labour, urbanization, youth unrest, problems of the aged, family disorganization, corruption, crime and delinquency, etc. This book is prepared mainly to cater to the needs of the undergraduate and postgraduate students. Most of the universities in India have prescribed one paper on 'Indian Social Problems' either at the undergraduate or postgraduate level. The book also covers topics that are included in the syllabi of IAS, NET, SLET, KAS and other national- and state-level competitive examinations. It also contains lessons that form part of MBA, nursing and fiveyear law courses. Such students and examinees will definitely find the book highly helpful.

Society in India-Ram Ahuja 1999

Indian Social System-Ram Ahuja 1993

Indian Social Problems (Vol-1)-G.R. Madan 1966-07-02 This work is a comprehensive study of the social problems facing India at present. It is the first study of its kind and provides a coordinated picture of social problems confronted by India particularly after Independence. The revised editions now divided into five volumes. Volume One presents an analysis of the causes of Social and Personal Disorganization and deals with the problems of crime and juvenile delinquency, major social vices, maladjustment in institutions resulting in poverty and unemployment, population explosion, undernutrition, mass illiteracy, students' indiscipline, moral degeneration, misuse of leisure, corruption, family disintegration and community conflicts in the form of casteism, provincialism, lingualism and communalism.

Social Problems in India-Ram Ahuja 2011

Indian Social Problems-Gurmukh Ram Madan 1966

Indian Social Problems (Vol-2)-G.R. Madan 1967-08-17 This volume is a part of the comprehensive study about social problems that India is facing at present. The whole study is divided into five volumes. This Volume Two deals with various fields of social work in India and is the Fifth revised edition of the earlier volume published in 1967. The fields covered have been discussed under five heads. Part One deals with concept and scope of social work as well as history of social work in U.K., U.S.A. and India. Part Two examines the social welfare services being provided for children, women, youth, labour and backward classes; urban and rural welfare; family welfare and housing. Part Three deals with social security measures and services for the handicapped. Part Four is concerned with social administration and legislation. Part Five deals with international welfare agencies and examines critically the state of welfare services being provided in India. Part Six deals with developments which have taken place in this field since 1973 when the second edition was brought out.

Social Problems in India-Sukanta Sarkar 2015 Human society is a group of people involved in persistent interpersonal relationships, or a large social grouping sharing the same geographical or social territory. More broadly, a society may be illustrated as an economic, social, or industrial infrastructure, made up of a varied collection of individuals. Members of a society may be from different ethnic groups. Society, in general, addresses the fact that an individual has rather limited means as an autonomous unit. Human societies are most often organized according to their primary means of subsistence. Societies may also be structured politically. Societies are social groups that differ according to subsistence strategies, the ways that humans use technology to provide needs for them. The main form of food production in such societies is the daily collection of wild plants and the hunting of wild animals. Hunter-gatherers move around constantly in search of food. Fruits and vegetables grown in garden plots that have been cleared from the jungle or forest provide the main source of food in a horticultural society . Agrarian societies use agricultural technological advances to cultivate crops over a large area. As access to electronic information resources increased at the beginning of the 21st century, special attention was extended from the information society to the knowledge society. People of many nations united by common political and cultural traditions, beliefs, or values are sometimes also said to form a society. It is hoped that the present edition of this book will be beneficial to all concerned of the society in general and students, lawyers, advocates, academicians, human rights institutions, researchers and NGOs working in sociology field, in particular. Contents of this book are Child Marriage, Bonded Labour, Child Labour, Widow, Farmer Suicide, AIDS, Urbanization, Arm Trafficking, Poverty, Violence against Women, Human Trafficking, Orphan Children, Caste system, Beggary, Urban slum, Migration, Terrorism, Unemployment, Corruption, Drug Abuse, and Superstition

India's Economy and Society-Sunil Mani 2021-07-09 This book is a collection of fifteen contributions that undertake a detailed analysis of seven broad dimensions of India's economy and society. All the contributions approach the problems in their respective areas empirically, while being theoretically informed. The book begins with a section containing detailed and empirically supported chapters on the recent crisis in India's agricultural sector and the reforms in the agricultural markets. Another section is dedicated to the issue of infrastructure financing, and new ways of financing large infrastructural projects are critically examined. Other sections are related to innovations and technology impacts on industry; international trade; health and education; labor and employment; and the very important issue of gender. The selected discussion topics are both of contemporary importance and expected to remain so for some time. Most of the chapters introduce readers to data in addition to methods of analyzing this data, to arrive at policy-oriented conclusions. The rich collection carries learnings for researchers working on a wide range of topics related to development studies, as well as for policymakers and corporate watchers.

The Affordable Housing Market in India-Padmini Ram 2020-11-13 This book examines the housing crisis in India and underlines the need for formal affordable housing markets. India is home to the world's largest population of slum dwellers. The book examines actual causes of the problem, and the financial and political issues which underlie it. The volume: Analyses multiple perspectives on affordable housing from the points of view of slum dwellers, builders, facilitators, bureaucrats, and politicians Presents a fresh overview of the housing sector in India based on the conditions of slum dwellers in a typical, medium-sized, fast-growing city - Raipur, in the state of Chhattisgarh Puts forward radical conclusions, practical solutions, and policy recommendations for a formal affordable housing market in India This will be a major intervention for scholars and researchers of urban sociology, built environment, public policy, development studies, economics, political economy, institutional economics, and urban studies as well as policymakers, planners, and professionals in the urban development sector.

Social Science Research in India-Sukhadeo Thorat 2017-01-05 Social science research has a vital role in enriching societies, by generating scientific knowledge that brings insights-even enlightenment-in understanding the dynamics of human behaviour and development. For social sciences to realize their potential in shaping public policy, it is imperative that the research ecosystem is dynamic and vibrant; the institutions governing it are robust and effective; and those producing quality research are strong and well governed. This volume elaborates on various dimensions of social science research in India, presenting a strong case for designing a comprehensive national social science policy which can meaningfully strengthen and promote a research ecosystem for improved public policymaking in the country. Addressing issues like lack of funding, availability of data, infrastructure, and quality of research output, it will serve as a national benchmark and reference database for social sciences in India.

Makers of Modern India-Ramachandra Guha 2011-03-31 Includes a short biographical introduction to each person, followed by excerpts from their writings.

Criminology-Ram Ahuja 2001-03 This Book Is An Addition To The Scarce Indigenous Literature Available In The Crucial Area Of Crime. The Text Has A Sociological Orientation And Is Founded Upon Holistic Approach. It Presents The Most Recent Data Available On Crimes And Criminals And Offers Theoretical Explanations Too.

Social Problems in India- 2004

Material Culture and Social Formations in Ancient India-Ram Sharan Sharma 1983 This Is A Survey Of Theories Of Social Change Which Underlines The Key Role Of Production Techniques Together With Climatic Conditions In Shaping Ancient Social Formations. Vedic, Epic And Buddhist Texts Are Examined In The Light Of Material Remains, Tribal Studies And Archaic Social Survivals.

The God of Small Things-Arundhati Roy 2011-07-27 The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

Indian Social Problems: Social disorganization-Gurmukh Ram Madan 1969

India's Tribes-Vinay Kumar Srivastava 2020-11-09 India's Tribes: Unfolding Realities brings together critical essays on tribal communities, some of the most marginalized people in India. The chapters, authored by eminent scholars who made significant contributions to the field of Tribal Studies, present important research on resource appropriation, poverty, education, health, economy and the tribal situation. They discuss issues such as problems of development-induced displacement, labour exploitation, sustainable livelihoods, politics of religious conversion, tribal women's issues, resistance movements and policy responses. The editor's introductions reflect on predicaments of tribal people in contemporary times, besides presenting a comprehensive perspective on the contribution of the selected essays to an understanding of tribal life. The series 'Social Change in Contemporary India' brings together key texts published in the prestigious journal Social Change, from 1971 till present times. These writings, most of which are considered canonical, address important issues in health, education, poverty and agriculture, with special focus on the disadvantaged groups. The essays will help readers identify key points in the history of policymaking in India and major discourses and debates and their impact.

Challenge and Strategy-Rajiv Sikri 2009-07-02 The book examines India's current and looming foreign policy challenges from a strategic and policy-oriented perspective. It analyzes the long-term factors and trends that should determine the country's foreign policy formulation. The author urges a reappraisal of India's approach if it is to become a major player in the complex and rapidly evolving 21st century world. Challenge and Strategy: Rethinking India's Foreign Policy focuses on India's immediate and strategic neighbourhood. It also looks at important issues like energy security, economic diplomacy, the interaction between defence and diplomacy, and foreign policy institutions. A unique feature of the book is that it combines the perspectives of a historian, a diplomat and a scholar. With many new out-of-the-box ideas and policy suggestions, it makes a valuable contribution to the ongoing debate on foreign policy within India's strategic community. This lucid and succinct book is a must-read for policy-makers, diplomats and foreign policy analysts. The corporate and business community too will find it professionally relevant. It is also an important knowledge resource for students of Indian politics, international relations, and defence and strategic studies, and others who are interested in India's foreign policy.

Priya's Shakti-Ram Devineni 2014-11-23 A new superhero has arisen in India in the wake of the brutal gang rape on a Delhi bus two years ago: Priya, a mortal woman who is raped herself, but who fights back against sexual violence with the help of the goddess Parvati - and a tiger. - THE GUARDIAN "Priya's Shakti is the first Indian comic book of its kind — not only confronting teenagers with the sensitive issue of sexual violence, but also engaging young people through its innovative use of augmented reality technology." — REUTERS

Economic & Social Issues in India-Dhrub Kumar 2020-10 'Economic & Social Issues in India' is a subject which is becoming very important in many exams like Civil Services, Bank Officers Exam etc. The present book 'Economic & Social Issues in India' has been specially developed keeping in mind the requirements of students, exam-aspirants and other readers with academic as well as competitions' point of view. The book is especially useful for the aspirants of various competitive exams where this subject forms an essential part of the examination. The main aim of the book is to present this specialised subject in a reader-friendly manner to make the readers grasp its various topics thoroughly. The book comprises a wide spectrum of chapters and topics on which questions are frequently asked in various exams. The book will act as an efficient tool to enhance your knowledge of the subject and do better preparation of your respective exam. The book will definitely prove to be a boon to the inquisitive students, competitive exam-aspirants, and other readers in improving and enhancing their knowledge of the subject and will immensely help them perform better in their respective exams and competitions.

Sociology of Indian Society-CN Shankar Rao 2004-09 The revision comes 10 years after the first edition and completely overhauls the text not only in terms of look and feel but also content which is now contemporary while also being timeless. A large number of words are explained with the help of examples and their lineage which helps the reader understand their individual usage and the ways to use them on the correct occasion.

ESO-6/16 Social Problems In India-Gullybaba Com Panel 2009-10-23

Research Methods-Ram Ahuja 2001 This book is mainly designed for students and researchers of social sciences and business administration. It combines the author's personal observations based on his extensive research experience with the experiences of other scholars as reflected in the literature. The aim is not only to acquaint students with a blend of elementary and theoretical knowledge in social research but also to guide the researchers with the basic complexities of undertaking research.

Ideology and Identity-Pradeep K. Chhibber 2018-08-24 Indian party politics, commonly viewed as chaotic, clientelistic, and corrupt, is nevertheless a model for deepening democracy and accommodating diversity. Historically, though, observers have argued that Indian politics is non-ideological in nature. In contrast, Pradeep Chhibber and Rahul Verma contend that the Western European paradigm of "ideology" is not applicable to many contemporary multiethnic countries. In these more diverse states, the most important ideological debates center on statism-to the extent to which the state should dominate and regulate society-and recognition-whether and how the state should accommodate various marginalized groups and protect minority rights from majorities. Using survey data from the Indian National Election Studies and evidence from the Constituent Assembly debates, they show how education, the media, and religious practice transmit the competing ideas that lie at the heart of ideological debates in India.

Indian Administration (Sixth Edition)-Maheshwari 2001 This edition of Indian Administration is completely revised and updated text. Chapters have been enlarged and rewritten. Fresh chapters have been added on Planning and Audit, making this the most comprehensive treatise on Indian administration today. This is a recommended text for undergraduate students of both political science and public administration.

The Iron Will of Vishvamitra-Dr. Sukhi Ram Rawat 2016-04-08 The Iron Will of Vishvamitra is based on a creative interpretation of the causes and effects of two mythological water-wars fought during the Rigvedic period on the banks of the rivers Ravi and Yamuna. This book tells the reader that when natural water resources are exploited forcibly and unreasonably, without caring for environment and agriculture, a fierce struggle breaks out between the rival claimants. Nature plays havoc with the perpetrator as well as the sufferer. The perpetrator's greed and avarice bring about the doom of the good and the bad alike. When exploitation and misuse of natural water resources continue unhindered and all efforts of persuasion fail, a man of iron will like Vishvamitra takes up the cudgels to save the earth and teaches the wrong-doers a lesson. On the surface, this is what the book is about, but readers may delve deep into it to understand the "unseen" meaning. Also available as e-book on all major online platforms such as Amazon Kindle,Kobbo,Rockstand and Google Play.

Indian Politics and Society since Independence-Bidyut Chakrabarty 2008-05-12 Focusing on politics and society in India, this book explores new areas enmeshed in the complex social, economic and political processes in the country. Linking the structural characteristics with the broader sociological context, the book emphasizes the strong influence of sociological issues on politics, such as social milieu shaping and the articulation of the political in day-to-day events. Political events are connected with the ever-changing social, economic and political processes in order to provide an analytical framework to explain 'peculiarities' of Indian politics. Bidyut Chakrabarty argues that three major ideological influences of colonialism, nationalism and democracy have provided the foundational values of Indian politics. Structured thematically and chronologically, this work is a useful resource for students of political science, sociology and South Asian studies.

Political Sociology: a New Grammar of Politics-Ali Ashraf 1983

History of Education in India-Ram Nath Sharma 1996 The Book Traces The History Of Education In India Since Ancient Vedic, Post-Vedic And Buddhist Period To The Islamic, The British Period And Education In India Today. It Describes In Detail The Activities And Recommendations Of Various Educational Committees And Commissions. The Proceedings Of Important Seminars On Education Are Narrated. The Book Describes The Growth Of Education In India During 1835-1853; 1854-1882; 1882-1900; 1900-1920; 1921-1937; 1921-1944; 1939-1953 And In The Present Times. It Discusses The Progress And Problems Of Education In Primary And Basic, Secondary And Higher Education And Also Suggests Remedies. Based On Government Reports And Important Publications, This Book Has Been Planned As An Ideal Textbook On The Subject For Students Of All The Indian Universities.

Dalit Studies-Ramnarayan S. Rawat 2016-04-29 The contributors to this major intervention into Indian historiography trace the strategies through which Dalits have been marginalized as well as the ways Dalit intellectuals and leaders have shaped emancipatory politics in modern India. Moving beyond the anticolonialism/nationalism binary that dominates the study of India, the contributors assess the benefits of colonial modernity and place humiliation, dignity, and spatial exclusion at the center of Indian historiography. Several essays discuss the ways Dalits used the colonial courts and legislature to gain minority rights in the early twentieth century, while others highlight Dalit activism in social and religious spheres. The contributors also examine the struggle of contemporary middle-class Dalits to reconcile their caste and class, intercaste tensions among Sikhs, and the efforts by Dalit writers to challenge dominant constructions of secular and class-based citizenship while emphasizing the ongoing destructiveness of caste identity. In recovering the long history of Dalit struggles against caste violence, exclusion, and discrimination, Dalit Studies outlines a new agenda for the study of India, enabling a significant reconsideration of many of the Indian academy's core assumptions. Contributors: D. Shyam Babu, Laura Brueck, Sambaiah Gundimedda, Gopal Guru, Rajkumar Hans, Chinnaiiah Jangam, Surinder Jodhka, P. Sanal Mohan, Ramnarayan Rawat, K. Satyanarayana

Bharatiya Samaj-Ram Ahuja

Sociology, Social Research Problems in India-Ram Narani Saksena 1961

Reliability and Maintainability Assessment of Industrial Systems-Mangey Ram 2022-04-25 This book covers advanced reliability and maintainability knowledge as applied to recent engineering problems. It highlights research in the fields of reliability measures of binary and complex engineering systems, cost analysis, simulations, optimizations, risk factors, and sensitivity analysis. The book scrutinizes various advanced tools and techniques, methodology, and concepts to solve the various engineering problems related to reliability and maintainability of the industrial system at minimum cost and maximum profit. It consists of 15 chapters and offers a platform to researchers, academicians, professionals and scientists to enhance their knowledge and understanding the concept of reliability in engineering.

Female Offenders in India-Ram Ahuja 1969

Encyclopedia of Social Problems-Vincent N. Parrillo 2008-05-22 From terrorism to social inequality and from health care to environmental issues, social problems affect us all. The Encyclopedia will offer an interdisciplinary perspective into these and many other social problems that are a continuing concern in our lives, whether we confront them on a personal, local, regional, national, or global level.

Computing and Simulation for Engineers-Ziya Uddin 2022 This book presents the reader with comprehensive insight into various kinds of mathematical modeling and numerical computation for problems arising in several branches of engineering, such as mechanical engineering, computer science engineering, electrical engineering, electronics and communication engineering, and civil engineering. The book: * Discusses topics related to clean and green energy production and storage * Bridges the gap between core theory and costly industrial experiments * Covers advanced biomechanics and nanodrug delivery topics * Explores diversified applications of mathematical techniques to solve practical engineering problems The text in this book emphasizes mathematical treatment of soft computing, image and signal processing, fluid flows in various geometries, biomechanics, biological modeling, a mathematical description of the solar cell, analytical and numerical treatment of problems in fracture mechanics, and antenna design modeling. It also discusses the numerical computations of biomechanics problems and problems arising in cryptography. The text further covers optimization techniques that are useful for real-world problems. This material is primarily written for graduate students and academic researchers in a number of engineering fields, including electrical, electronics and communication, industrial, manufacturing, mechanical, computer science, and mathematics.

Pratiyogita Darpan- 2007-10 Pratiyogita Darpan (monthly magazine) is India's largest read General Knowledge and Current Affairs Magazine. Pratiyogita Darpan (English monthly magazine) is known for quality content on General Knowledge and Current Affairs. Topics ranging from national and international news/ issues, personality development, interviews of examination toppers, articles/ write-up on topics like career, economy, history, public administration, geography, polity, social, environment, scientific, legal etc. solved papers of various examinations, Essay and debate contest, Quiz and knowledge testing features are covered every month in this magazine.

[Book] Social Problems In India Ram Ahuja 3rd Edition

Thank you very much for downloading **social problems in india ram ahuja 3rd edition**. Maybe you have knowledge that, people have look numerous times for their favorite novels like this social problems in india ram ahuja 3rd edition, but end up in infectious downloads.

Rather than enjoying a good book with a cup of tea in the afternoon, instead they are facing with some infectious bugs inside their desktop computer.

social problems in india ram ahuja 3rd edition is available in our book collection an online access to it is set as public so you can get it instantly.

Our digital library spans in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the social problems in india ram ahuja 3rd edition is universally compatible with any devices to read
